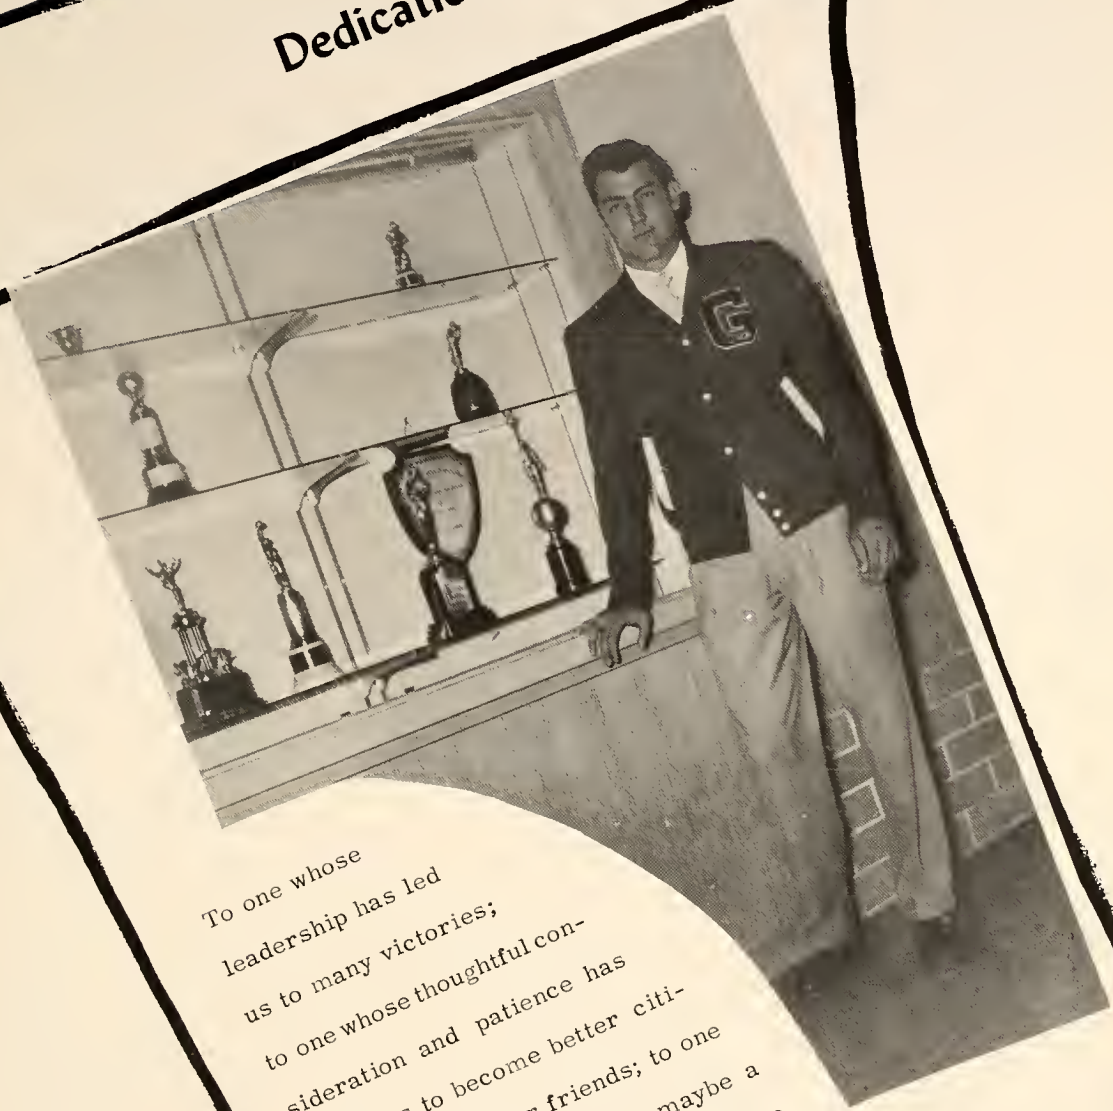
Dedication



To one whose leadership has led us to many victories; to one whose thoughtful consideration and patience has taught us to become better citizens and worthier friends; to one whose friendly smile or maybe a pat on the back could change the despair in our hearts and bring back new hope; We, the Senior Class of 1953, dedicate, with a love in our hearts that will never grow old, this edition of "THE MUSTANG" to A. V. Collins, our coach and friend.

This year, nineteen-hundred and fifty-three, finds many of you graduating and others moving up to take your place as next years graduates.

Through the commendable efforts of the teachers of our great America, you face the world of tomorrow with greater confidence and ability, capable of taking your place with your fellow citizens.

We at USECO are most happy to have played a part in recording your treasured memories of 1953 and have utilized every skill at our command to present you with a book you'll cherish through the years.

May we all feel justly proud of our accomplishments and remember them as, "Another Step Forward!"
